

The background of the slide is a dense crowd of dark grey, 3D human-like figures. In the center of the crowd, one figure is highlighted in white, standing out from the others. A small horizontal line with a teal-to-orange gradient is positioned to the left of the title text.

# Finders of the Elect

## **We are here to find the elect**

What is an “elect?”

D&C 29:7

## Finders of the Elect Key Points

- Service
- Profiling (barriers and needs)
- Test for spiritual sensitivity
- Keep them interested

## Service

- Service stems from our love for the people
- Service is anything from washing dishes to greeting a lonely person to pounding fufu and more
- Often, it is not those we serve that are the elect but they are those who watch us serve that are the elect

# Profiling

- During profiling, we are looking for barriers that would prevent someone from progressing.
- Work/School
- Family
- Church

## Spiritual Sensitivity

- Heavenly Father may have blessed the people you find with valuable spiritual preparation
- Someone must be spiritually ready to receive the Gospel
- Ask open-ended, inspired questions
- Listening to their responses, you can discern if they are ready

## Keep them Interested

- Always leave the person in a state of wanting more.
