	☐ Daily: Member work / Journal / Exercise			Daily: Member work / Journal / Exercise		This Mission wide improvement program is for all missionaries who have completed their first 12 weeks of training. Upon completing the 12 week program, trainers and trainees are to join this program starting with the same week the rest of the mission is studying. Each chapter in Preach My Gospel is to again be read and reviewed and					
		lead and discuss "Becoming a Consecrated Missionary" in companionship study	Read		and discuss "Lock Your Heart" in companionship study	studied. This will be done over a two week period. Each missionary companionship is to study the Come Follow Me program. A recommended time is 9:00 - 9:30 pm, but "when" can be determined by the companionship. Each individual missionary is to pick 10 scriptures from the Topical Guide (TG) on the subject "Jesus Christ" category,					
1-Mi		The Atonement of Jesus Christ		nute	Baptism: Our First Covenant with God	and then read, study, and write a brief summary in their study journal of what they learned. One of the 10 scriptures should be memorized each week. District Council Instruction will focus on the topic that missionaries have studied over the last week and will follow the following format: 1) Each missionary picks one of their ten scriptures and creates one inspired question relating to the scripture. 2) The instructor will then ask a member of the council to share their scripture and their question (not their insights). 3) The council members will then discuss that question meaning each person comes prepared with their scripture and their question. Some district councils may only get to two or three questions in the time they have. The spirit of unity and love will invite the Spirit to reveal new truths regarding the questions discussed to the entire council. On zone conference weeks, instruction will be in zone conference by the Mission President or Assistants. Companionships are to practice the four "1-minute drills" listed for each week. The two in bold should be role played as if teaching an investigator. The two not in bold will then be practiced in District Council. The District Council Role Play or Topic Review will come from
